EDUCATION

Columbia University

Ph.D., School of Social Work

Advanced Practice

NIH T-32 Pre-Doctoral Fellow

Columbia University Provost Diversity Fellow

Anticipated graduation: May 2027

Columbia University

M.S.W., School of Social Work

Advanced Generalist Practice & Programming (AGPP)

Independent Study: *Theories of Criminalized Survivorship*

4.0 GPA

May 2023

Rutgers University, New Brunswick

B.A., Psychology, Sociology, Criminal Justice

3.75 GPA Magna Cum Laude

December 2019

RESEARCH INTERESTS

Mixed methods | intervention research | criminalized survivorship | intimate partner violence | state-sanctioned violence against women | substance use coercion | liberatory harm reduction | abolition | femicide | domestic sex trafficking | narrative storytelling | oral history |

RESEARCH EXPERIENCE

Social Intervention Group (SIG) (PI: Victoria Frye, DrPH)

Columbia University, School of Social Work

NIH T-32 Predoctoral Fellow

September 2023 -

- Data analysis team lead for an ecological momentary assessment (EMA) study on temporal associations between violence experiences, substance use and ART medication uptake among young Black and Latino MSMLWH

Social Intervention Group (PIs: Louisa Gilbert, PhD)

Columbia University, School of Social Work

Graduate Research Assistant

September 2022 – May 2023

- Conducted a scoping review on substance use coercion using Covidence software; performed qualitative thematic analysis using Nvivo
- Developed screening questions for a syndemic-based intervention tool, WINGS, to identify IPV victimization among substance-using women on community supervision.

Justice Lab (PI: Bruce Western, PhD)
Probation and Parole Reform Project
Columbia University, School of Social Work
Graduate Research Assistant

May 2022 – September 2023

- Observed, transcribed, coded and analyzed community town hall meetings on Less is More policy implementation and community investment. Findings contributed to the report: "*Less is More What's Next: Community Perspectives on (Re)Investment After Less Is More New York.*"
- Advocacy Database project lead: developed a database tool to record and organize grassroots organizations addressing community supervision, probation and parole across the U.S.
- Conducted and presented independent ethnographic research on the discretionary parole release and revocation hearing process in Connecticut.

Walton Bonar-Lab (PIs: Drs. Maureen Walton & Erin Bonar)
University of Michigan, Department of Psychiatry
Research Assistant

December 2019 – June 2020

- Responsible for participant recruitment and administering intervention for a 4-group randomized control trial studying the efficacy of optimized behavioral interventions to prevent Opioid Use Disorder among young adults.
- Designed and employed multiple measurement surveys using Qualtrics.

ABUSA Lab (PI: Dr. Teresa Leyro)
Rutgers University, Department of Psychology
Research Assistant

April 2019 – December 2019

- Guided participants through experimental protocol including surveys, computerized tasks, and psychophysiological data retrieval.
- Conducted quantitative data analysis (STATA) with psychophysiological data such as cardiac impedance, heart rate variability, cortisol and dehydroepiandrosterone functioning.

PROFESSIONAL EXPERIENCE

STEPS to End Family Violence, Brooklyn, NY
Criminalized Survivors Program (CSP)
Counselor & Court Advocate

September 2021 – May 2022

- Provided individual and group clinical counseling to criminalized survivors of IPV; informed by psychodynamic, client-centered, narrative and cognitive behavioral therapies.
- Provided legal advocacy support services to survivors including court accompaniment, collaboration with defense teams, trauma narratives, and program update letters.

Cherry Health Residential Re-Entry Center, Detroit, MI
Case Manager

December 2020 – August 2021

- Conducted biopsychosocial assessments, treatment planning, and PREA training with residents.
- Connected residents to community re-entry support services such as counseling, family reunification, economic empowerment and mental health.
- Helped residents enroll in state benefits and obtain government identification.

TEACHING EXPERIENCE

2018-2019 **Teacher's Assistant**
Abnormal Psychology
Rutgers University – New Brunswick, NJ

Instructor: Lyra Stein, PhD

2018-2019 **Teacher's Assistant**
Psychological Theories
Rutgers University – New Brunswick, NJ
Instructor: Lyra Stein, PhD

AWARDS

2023 - 2024 **Awardee**, Columbia University Provost Diversity Fellow
2020 **Awardee**, Rutgers University Undergraduate Research Writing Conference
“Reducing Recidivism Rates in Middlesex County: A Review of New Jersey State Prison”

LEADERSHIP & VOLUNTEER EXPERIENCES

2023 – Present **Tattoos against Trafficking**, Founder

2021- 2022 **Abolition Caucus**, Co-Leader
Columbia University School of Social Work

2021- 2022 **Harm Reduction Caucus**, Co-Leader
Columbia University School of Social Work

2018 – 2019 **Upward Bound Pre-College Program**, Mentor
Rutgers University – New Brunswick, NJ

2016 - 2019 **Petey Greene Program**, Tutor
Mountainview Youth Correctional Facility

SPECIALIZED SKILLS & TRAINING

2022 Training Workshop, *Foundations for Research Computing*
Columbia University

Data analysis software: R, STATA, NVivo, ATLAS.ti, MPlus
