Every student is assigned a University Network ID (UNI). To activate your UNI, visit [http://uni.columbia.edu/](http://uni.columbia.edu/) uni and select "Activate a New UNI Account." Follow the on-screen instructions.

Once this is completed, as a new student you will have access to your personal Columbia email account and an array of resources including but not limited to CourseWorks (a learning management system), e-reserves (online library resources), Student Services On-line (SSOL), CSSW computer lab, CU Libraries Workshops, 2,500 page social work printing quota per term and 20 page CUIT weekly printing quota, and much more.

**Instructional Resources**

**CourseWorks**: Learning Management System containing course sites with syllabi and links to e-reserves: [http://courseworks.columbia.edu/](http://courseworks.columbia.edu/)

**CU e-mail**: access & use your Columbia LionMail (email) account [http://lionmail.columbia.edu/](http://lionmail.columbia.edu/)

**CU LionMail Questions/Problems**: 212-854-1919

**CU UNI**: manage your UNI - change password, check printing quota, email settings, email forwarding, etc.) [http://uni.columbia.edu/](http://uni.columbia.edu/)

**The Willma and Albert Musher Student Computing Center (Social Work Building, Room 105)**: [http://socialwork.columbia.edu/node/2155/computing-services](http://socialwork.columbia.edu/node/2155/computing-services)

**Faculty Profiles**:
- Full time - [http://socialwork.columbia.edu/faculty](http://socialwork.columbia.edu/faculty)
- Part time - [http://socialwork.columbia.edu/faculty/adjunct-faculty](http://socialwork.columbia.edu/faculty/adjunct-faculty)

**Social Work Library**: [http://library.columbia.edu/locations/social-work.html](http://library.columbia.edu/locations/social-work.html)

**Student Services Online (SSOL)**: student account, schedules, records, financial aid, grades and more, etc. [https://ssol.columbia.edu/](https://ssol.columbia.edu/)

New students will receive an email from Turnitin within the two weeks of classes with their account information and instructions for using this on-line resource.

**Computing Resources**

**Computer Configuration Recommendation**: [http://tinyurl.com/computer-recommendations](http://tinyurl.com/computer-recommendations)

**Secure your files on your flash or portable hard drive with a password**: [http://tinyurl.com/lsx6wls](http://tinyurl.com/lsx6wls)

**CUIT – FREE Software**: Including Symantec AntiVirus, EndNote, etc. [http://cuit.columbia.edu/cuit/software-downloads](http://cuit.columbia.edu/cuit/software-downloads)

**CU Libraries – Training Sessions**: [http://library.columbia.edu/research/workshops.html](http://library.columbia.edu/research/workshops.html)
