Fall 2015 Registration

The following information will help you navigate the CSSW registration process.

INTRODUCTION
The CSSW Registration Handbook provides information about appointment times, registration dates and protocol, and required courses for which students must register.

While this Handbook is meant to aid you as you register for classes, we encourage you to speak to your academic advisor and the Office of Student Services about course requirements and your anticipated course schedule.

REGISTRATION RESOURCES
The CSSW Student Resources page provides students with a variety of registration information and resources, including links to:

- Directory of Classes
- Box Schedule
- Course Descriptions (page 132)

STUDENT SERVICES ONLINE
Student Services Online (SSOL) is the internet portal to your student account, registration, and billing. Via SSOL, you are able to access personal and academic information, including your account balance, Degree Audit Report, course schedules, academic profile and registration appointment times.

All self-registration for Fall 2015 courses must be conducted through SSOL, logging in using your UNI and network password.

Along with reviewing your program’s Study Plan (click here for Dual Degree Study Plans) and consulting with your Academic Advisor, you should review the available information on your academic record prior to planning your course schedule for Fall 2015. Using SSOL, you will be able to view the following:

- Academic Profile
- Degree Audit Report
- Grades and Registration Status
- Holds
- Registration
- Student Schedule
- Registration Appointments

REGISTRATION APPOINTMENT TIMES
The University Registrar’s Office randomly assigns appointment times to each student in one of three appointment time "groups": morning, mid-afternoon, or late-afternoon. Each term you will be assigned an appointment time in one of the 3 groups, rotating between them, until you have had an assigned time in each group of appointments. For example, if you are assigned a morning (9:30am) appointment time this term, for the next two terms you will be placed in either the mid-afternoon group (12:30pm) or the late-afternoon group (3:30pm). To determine your registration appointment times, visit Student Services Online (SSOL).
