BUDGET APPEAL FORM

You are eligible to receive sufficient financial aid to cover your basic Cost of Attendance (COA) during the academic year. This estimated COA or budget is comprised of standard education expenses incurred by students (e.g. tuition and fees, housing/food expenses, books, transportation, and personal expenses). CSSW uses average amounts for all non-tuition and fees budget items. We strongly encourage students to plan and budget their expenses and aid so that they stay within the COA set by the School.

We do, however, understand that in certain situations the School’s COA budget does not accurately reflect the costs a student will incur during the academic year. In such cases, you may appeal for a budget increase for documented expenses above those allocated by the School in your budget.

Prior to completing the form below, please carefully read the information regarding acceptable items for a budget appeal:

Budget appeals will be considered for the following items:

- Costs in excess of budgeted cost (includes rent, utilities, food, phone and cable)
- Books (in excess of budget cost)
- Child care expenses
- Dependent care expenses
- Disability-related expenses not covered by an outside agency
- Computer purchase (one-time only)
- Non-elective medical, dental or optical expense not cover by insurance
- Additional course-related expenses (e.g. travel costs for students going abroad for required Field Education)
- Transportation costs in excess of budgeted cost
- Emergency travel (e.g. death in the family)

Budget appeals will NOT be accepted for the following items:

- Credit card payments
- Education or private loan repayment
- Discretionary (optional) medical or dental procedures
- Spousal maintenance expenses
- Child support payments
- Student conferences
- Purchase/maintenance of a car (Federal law prohibits the School from providing aid for consumer debt, which includes car payments and car insurance.)
- Job interview expenses
- Other non-educational related expenses
- Expenses incurred during periods of non-enrollment

PLEASE NOTE: Submitting an appeal does not guarantee that an adjustment will be made. All adjustments are made at the discretion of professional judgment by the Office of Financial Aid, and must be approved by the Director of Financial Aid. In most cases, an approved budget increase will result in an increase in loan eligibility; it is very unlikely that the approved budget increase would be covered by scholarship funding.
