## CSSW Writing Center sign-up policies:

- (1) The Writing Center is currently operating on a hybrid schedule with three appointment options: *in-person meetings*, *online meetings*, and *written feedback requests*. While all appointments may be reserved as online meetings or written feedback requests, a limited number of hours are available for in-person meetings. Please check your appointment carefully to ensure that you have selected the desired appointment option, based on our schedule availability. \*Writing Center staff who are only available for online meetings and written feedback requests are working remotely, not on campus.
- (2) Each week (*Monday – Sunday*) students may schedule in advance **two appointments**. Appointments are available to reserve 21 days in advance. Please schedule responsibly, and if unable to make an appointment, cancel as far in advance as possible.
- (3) Students may hold one appointment in a given day.
- (4) All appointments are **50 minutes**.
- (5) DROP-IN appointments are not currently available. Please reserve all appointments in advance.
- (6) Students may cancel or modify an appointment until the scheduled start time. That said, canceling appointments as much in advance as possible is most appreciated as it frees the time for other students. We appreciate an email, however last-minute, if you are unable to make your appointment at or after the session start time.
- (7) Appointments are marked as “missed” if a student does not cancel a live meeting in advance and is unable to attend, or requests written feedback but does not include an accessible document for review. There is **no limit or penalty** for missed appointments. If you miss an appointment for a preventable reason, please make any adjustments possible to avoid missing appointments similarly in the future.
- (8) Students may not bring or submit writing projects of others, be they classmates, colleagues or friends, to be reviewed by the Writing Center.
- (9) Regarding use of the Writing Center for group papers, the student whose name appears on the schedule calendar for a given appointment must be present at that appointment. Other members of the group are encouraged to attend but are not required.
- (10) To request a group appointment with three or more participants, email [swwrite@columbia.edu](mailto:swwrite@columbia.edu) at least one day in advance, if possible.

(11) In all cases, the student who makes an appointment must be the student who appears at the appointed time, or whose work (which includes group projects you are contributing to) is submitted for review. Students may not trade their time for the time of another student.
