International Internship Resources

International Internship Resources

"Funding Page"

<http://www.careereducation.columbia.edu/findajob/howtointernship>

A lot of the deadlines are in the fall;

Another great resource on our website is the "**International Resources**" page <http://www.careereducation.columbia.edu/findajob/intlresources>

As well, two databases on our website, **Going Global** and **Uniworld** <http://www.careereducation.columbia.edu/resources/library/premium-resources> may also be helpful resources.
