SCHOOL OF SOCIAL WORK

October 17, 2016

Dear Colleagues:

I am delighted to introduce to you the recent and upcoming Ph.D. graduates of the Columbia School of Social Work.

Since its inception in 1950, our doctoral program has provided its graduates with a timely, rigorous educational program of study and research in an unparalleled learning environment. Our faculty are among the most innovative and productive scholars in the country, with research projects that present students with opportunities to immediately engage in cutting edge research. The program's mission has consistently been to train scholars capable of initiating and carrying out the most innovative research and scholarship.

You will find contact information for each graduate on their CV. If you would like to discuss our program or the preparation of particular students, please do not hesitate to contact me at nk464@columbia.edu or at (212) 851-2385.

Sincerely,

Neeraj Kaushal, Ph.D.
